# About Arcan Academy

Arcan Academy, is a member of Arcan ventures that specializes in training and manpower development. Our Academy proudly hosts an array of internationally recognized training programs, focusing on upskilling and reskilling participants with latest tools and techniques in management, engineering and technology. Over the years, we have fostered a network of esteemed professionals, including renowned speakers and experienced consultants, who possess unrivalled expertise in their respective fields. This wealth of knowledge enables us to tailor our programs precisely to the specific requirements of our valued clients.

With its founding in Toronto in 2006, Arcan currently maintains offices in Riyadh, Bahrain, Dubai and Toronto, Arcan ventures incubates, builds, and manages businesses across the Middle East and internationally. Our approach is to partner with our clients, evaluate their projects and investment opportunities, address challenges they face, and assist them in transforming their businesses and managing them effectively.

# Vision

We aspire to contribute to a better future by offering high quality training programs and consultancy services that will help our clients and their businesses ensure sustainability and continual growth.

# Mission

We aim to support and develop people and organizations in new business opportunities to enhance their performances, achieve better results, and gain competitive advantage through upskilling and reskilling.

# Values

Integrity, Professionalism, Diversity and inclusion, Teamwork, Accountability, Innovation and Responsiveness, Quality and Excellence
